Dear Mr. Gibson:

This letter is in response to the commission's letter of April 25, 1996.

We have determined that a former staff member failed to mail several of our committee's recent responses. Could you let us know what outstanding issues the Commission staff has with our party? This will also be helpful for our new Treasurer, who will be elected this weekend at our state convention.

Regarding our unapproved computer forms, we were told by our software vendor, Winning Ticket, that their forms were already approved by the Commission. Is this not the case? If it is not, I am including a sample of the computer generated Schedule H4 and Schedule A and request the commissions approval.

Regarding the ballot composition method, our schedule H4 reflects a 33% federal share, and amount in excess of the 29% reported on our schedule H1. The schedule H4 is correct, and we intend to amend our January 1995 schedule H1 to reflect the regulatory allocation percentage of 33%.

Our report fully discloses our administrative expenses.

We look forward to the commission's response to our request for approval of our computerized forms.

Sincerely,

Nevada Republican Party
Bob Beers, CPA
President

Dear Mr. Beers:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report includes computer produced formats of FEC Form-3X. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Until your format has been approved, FEC forms must be used. 11 CFR §104.2(d)

-Note: Please be advised that the ballot composition ratio for allocation of administrative and generic voter drive expenses should be the same for the full two-year election cycle.

-Your report discloses limited payments for administrative expenses. Each committee utilizing separate federal and non-federal accounts is required to allocate any administrative expenses between the accounts in proportion to the BALLOT COMPOSITION METHOD derived from FEC Schedule H1. A Schedule H1 must be filed with the first FEC FORM 3X submitted each year. 11 CFR §106.5(d)

Any goods or services provided to your committee by a person, except volunteer activity (i.e., a person's time), would be considered an in-kind contribution from that person, and would be subject to the disclosure requirements of 2 U.S.C. §434(b)(3) and 11 CFR §104.13, and the limitations and prohibitions of 2 U.S.C. §§441a and 441b.

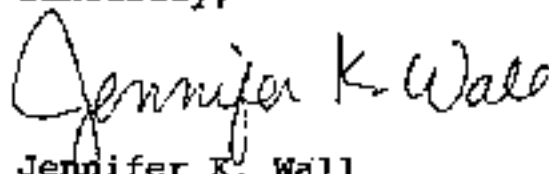

Celebrating the Commission's 20th Anniversary

YESTERDAY, TODAY AND TOMORROW
DEDICATED TO KEEPING THE PUBLIC INFORMED

Clarification regarding administrative expenses should be disclosed during each two year election cycle beginning with the first report filed in the non-election year. Please provide the necessary information regarding administrative expenses incurred by your committee and/or amend your report to disclose such expenses according to the referenced provisions of the Act and Commission Regulations.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 219-3580.

Sincerely,
